**the Eagles are soaring!**

Have you ever seen our national symbol, the Bald Eagle? If not, why not come to Reelfoot Lake State Park this winter and take one of our tours?

Bus tours to observe Bald Eagles and Waterfowl will be conducted seven days a week from January 2nd through, early March by state park personnel. All tours will depart Reelfoot Lake State Park Airpark Inn at 10:00 AM and last approximately 2 hours.. **TOUR RESERVATIONS ARE REQUIRED AND THERE WILL BE A MODERATE CHARGE PER PERSON.**

Special groups (school, scout, clubs, etc.) should make reservations two to three weeks in advance. Groups should also consider providing their own transportation. All tours will involve some exposure to the elements, so please dress warmly. Bring your field glasses and cameras for added enjoyment.

Special weekend programs will be conducted each weekend in January and February. See below a listing of our weekend activities:

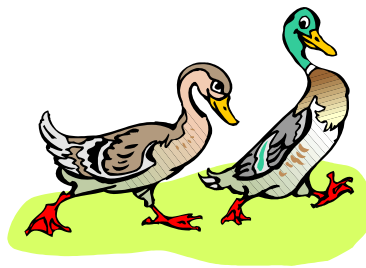

**FRIDAY, 7:00 PM – AIRPARK INN LOUNGE:**  
“An introduction to Reelfoot Lake” slide program.

**SATURDAY, 8:00AM,10:00AM & 1:00PM** - Two hour Bald Eagle & Waterfowl Tour departs from the Airpark Inn.

If you can’t come to Reelfoot Lake this winter, plan to come in the summer. The eagles will be gone to their nesting grounds in the north, but other birds abound and the fishing is excellent. The state park offers daily pontoon boat cruises at a reasonable price, weather permitting. Reelfoot Lake State Park offers year round naturalist/interpretive programs to groups, schools, and civic organizations.
